BAB I PENDAHULUAN

1.1 Latar Belakang Masalah ............................................................................... 1
1.2 Rumusan Masalah ......................................................................................... 4
1.3 Tujuan Penelitian .......................................................................................... 4
1.4 Manfaat Penelitian ......................................................................................... 4

BAB II KAJIAN TEORETIK

2.1 Kajian Teori .................................................................................................. 6
  2.1.1 Profesi Guru ............................................................................................ 6
  2.1.2 Kompetensi Guru .................................................................................... 7
  2.1.3 Konsep Media Pembelajaran ................................................................. 9
  2.1.4 Media Pembelajaran berbasis Teknologi Informasi dan Komunikasi .... 16
  2.1.5 Pemanfaatan Media Pembelajaran berbasis Teknologi Informasi dan Komunikasi ................................................................. 21
2.2 Penelitian yang Relevan ................................................................................ 23
2.3 Kerangka Berpikir ......................................................................................... 26

BAB III METODE PENELITIAN

3.1 Tempat dan Waktu Penelitian ..................................................................... 28
3.2 Pendekatan dan Jenis Penelitian .................................................................. 28
3.3 Data dan Sumber Data .................................................................................. 29
3.4 Teknik Sampling (Cuplikan) ....................................................................... 29
3.5 Teknik Pengumpulan Data .......................................................................... 30
  3.5.1 Observasi .................................................................................................. 30
  3.5.2 Wawancara .............................................................................................. 31
3.6 Uji Validitas Data ........................................................................................ 32
3.7 Teknik Analisis Data ..................................................................................... 33
  3.7.1 Reduksi Data ............................................................................................ 33
  3.7.2 Penyajian Data ........................................................................................ 34
  3.7.3 Verifikasi Data ........................................................................................ 34
3.8 Prosedur Penelitian ..................................................................................... 34
BAB IV HASIL PENELITIAN

4.1 Deskripsi Lokasi/Objek Penelitian........................................... 36
  4.1.1 Geografis Sekolah.......................................................... 36
  4.1.2 Visi, Misi, dan Tujuan Sekolah ....................................... 36
  4.1.3 Struktur Organisasi Sekolah .......................................... 38
  4.1.4 Sarana dan Prasarana ................................................... 39
4.2 Deskripsi Temuan Penelitian .............................................. 39
4.3 Pembahasan......................................................................... 54

BAB V SIMPULAN, IMPLIKASI, DAN SARAN

5.1 Simpulan............................................................................ 60
5.2 Implikasi............................................................................ 60
5.3 Saran.................................................................................. 61
