Dear Author

Greetings from GIAP Journals [HSSR]

This is to inform you that Editorial office of Humanities & Social Science Reviews, has received peer reviews comments/suggestions for the following article.

- Article ID/ Title: "**DIFFERENCES OF SCIENCE PROCESS SKILLS PRE-SERVICE TEACHER ON PHYSICS EDUCATION AND BIOLOGY EDUCATION**"
- Similarity Index [Checked by iThenticate (Turnitin Software)]: 6%

You are expected to revise your manuscript as per the following suggestions. Read all part of the email carefully and act without fail.

Editor Comment - As per new GIAP Journal Policy contribution of each author must be mentioned in article and References must be arranged as per APA 7th edition guidelines.

Reviewer A comments:

Please do revise your manuscript as per suggestion inside the manuscript.

Further comments are indicated inside the file. See them and revise accordingly. After corrections kindly indicate at the same place that the corrections are done by writing [Done] in square brackets.

Reviewer B comments:

- The manuscript must be arranged as per **attached hssr template**. Especially abstract should be written in 5 subheadings of Purpose, Methodology, Main findings, Implications, Novelty.
- The title should tell the true story of the research article.
- First two lines of the abstract should tell about what has been done in this research. Don't tell the background of research in the abstract. All background information should go in the introduction section.
- Enter six (6) keywords that truly represent the essence of research work. Three keywords should be in article title also.
- All citations must be hyperlinked with references. For help see this video <https://www.youtube.com/watch?v=z3Oi0Xhkd8c&t=2s>

Note on Plagiarism and Similarity:

GIAP Journals follows ZERO Plagiarism policy. We check all articles by iThenticate (Turnitin software). You are expected to see attached similarity report as well and take the following actions:

1. Wherever you see the similarity, full paragraph or 2 to 3 lines full copy-pasted, you need to rewrite in your words. It will reduce similarity.
2. If you are taking any text, information, idea, images, data, table, etc. from some source then you should do paraphrasing and you have to give citations to that source. Otherwise, the article will be labeled as Plagiarized and Rejected and no query will be entertained.
3. If your Similarity index is above 10%. You need to send a new Turnitin report from your side showing a similarity of less than 10%.

In case you have any query on this plagiarism issue contact our expert on What's App on +968 97124850.

Note: Kindly **do all revisions in an attached file only, don't change file name or extension** and send me back within 7 days. If you are not following the above suggestions, either your article will be rejected or delayed.

Best Regard
