Dear Editor of IJERE

I attach the final version of my paper and the team entitled "**Comparison of student attitudes towards natural sciences**".

We have made some revision including:

1. Revised some errors in grammar and added some references
2. Changed the corresponding author to Maison as stated in the revised article

I and Haryanto only have a single name. So, please don't put "Maison" and "Haryanto" twice in the article. Thank you for your attention and assistance.

Best Regards,

Maison

(corresponding author)
