**AESS Journal** <status@aessweb.com>  
to me  
**Title:** Entrepreneurial Orientation and Market Orientation in Business Performance of SMEs : An Exploration of The Impact on E-Commerce Adoption.  
**Journal:** Asian Economic and Financial Review.

Dear Yayuk Sriyudha

Thanks for your article submission. There is a need to incorporate following comments in order to improve the paper before publication in the journal. There is required major changes before publication:

1. The contribution of study is not clear. There is need to write the contribution of study after abstract.
2. The overall discussion within paper is very short there is need to increase.
3. There is need to enhance the review of literature by citing recent studies journal's papers 2016, 2017 and 2018
4. There is need to improve the estimations, method and results.
5. There is need to write about research gap in introduction.

Please send us your revised file through this email attachment.

After these changes, the paper will be suggested for the publication.

Thanks.

David Paul
