Session chairs will coordinate the zoom presentations. Each technical speaker will have 12 min for presentation and 3 min for Q&A. Please prepare your presentation that way so that your presentation be completed within 15 min including questions and answers. You will be sharing your screen via zoom. If you are not familiar with zoom, you can get create an account and see how it works. **Zoom links will be sent to registered participants only.** Please do not share zoom links with others. Registered participants will receive zoom links few days before the 2020 IEOM Detroit Conference.

If you did not register the conference yet or make any arrangement, please complete your registration by July 30, 2020. Then it would be easier for us to send zoom links. Here is the link for online registration: <https://www.icdsystem.com/IEOM2020/index.cfm?ID=145417>

Professor Raimar and I appreciate so much for completing your registration to help us for our smooth operations of the virtual conference via zoom. If you are paying your registration fee alternative way, please let us know. We will take a note of it.

We encourage students, researchers, faculty and industry professionals to join the conference even with paper, abstract or presentation. Each participant will get an attendance certificate. We can provide a special discounted rate for students to attend the event without any submissions or presentations. We have a full program for 5 days from 8 am to 10 pm. We had to spread the time since we have participation from more than 50 countries.

Final paper/abstract is due by July 30, 2020. Then we will start adding page numbers and upload in the conference proceedings - <http://ieomsociety.org/detroit2020/proceedings>. Please make sure to address review comments to improve your paper or abstract with exact IEOM format. We need MS Word version of the paper so that IEOM Publication Team can edit it. IEOM team may ask to revise the paper even after conference during publication to satisfy Scopus and other indexing.
