Dwi Agus Kurniawan:

We have reached a decision regarding your submission to International Journal of Online and Biomedical Engineering (iJOE), "E-Assessment Motivation in Physics subjects for Senior High School".

Our decision is to: conditionally accept

Your paper is accepted from the content point of view, but please note, that full papers must have 12 pages at least. (Alternatively you can shorten it to a short paper with 8 (max. 9) pages.

Please send us your final paper exactly formatted as requested in the "Author Guidelines" in the "About" of the journal, with author's name(s), institution(s) and short bio(s) in MS Word format (doc, docx, rtf).

You will receive an invoice for the APC by separate email.

But the paper has again 11 pages. This is too long for a short paper and full papers need at least 12 pages.

Kind regards,

Michael Auer
