Dear Dr. Budiyati Ichwan,

We have operated the corrections in your manuscript. In a short time (usually in less than two working days), your article will appear on the [AUOFB](#) journal's web page at the [online-first section](#).

When it does appear on paper, we will send it to you by post to your address, that of the correspondence author of the article. If you want to send it to another address, please communicate to me (at [cblidar@gmail.com](mailto:cblidar@gmail.com)). We estimate that the hard copy of the journal comes to you no later than the end of **August, 2021**.

From now, the article will be online permanently.

Thank you for having published in our journal and we will wait with pleasure for other articles in the future, too.

We wish you good health and labor force!

Kind regards,  
your colleague,  
Cristian F. Blidar, PhD
