Dear Stefania,

Please find revised version of our manucript "Combining Humic Acid with NPK Fertilizer Improved Growth and Yield of Chili Pepper in Dry Season". We have improved the English by assistance of Professor Acram Taji from Queensland University of Technology, Australia (acramtaji@gmail.com). There are 2 files: one is revised version of the manuscript, and the other is revision from Prof. Taji.

Cheers,  
Zul.

We have reached a decision regarding your submission to Advances in Horticultural Science, "Combining Humic Acid with NPK Fertilizer Improved Growth and Yield of Chili Pepper in Dry Season".

Our decision is: manuscript needs to be improved in the English form!

Dear Author,

the manuscript has been accepted for publication. However, you must refer to a professional manuscript editing service or to native English speaker for improving the English in the manuscript.

Your revised manuscript is expected to be submitted within maximum 30 days from now.
