Dear editors,

Thank you for accepting our manuscripts to the Hong Kong Journal of Social Sciences.

We would like to inform you that when we received the invoice (Customer ID 25/22) we had made a payment attempt but when the payment was processed we found a problem (here we attach the first invoice and proof of the payment problem). for that, can we still receive a new invoice in order to make a payment? we really appreciate for your consideration. We hope there will be no more problems in the future and we can send payment proof to you.

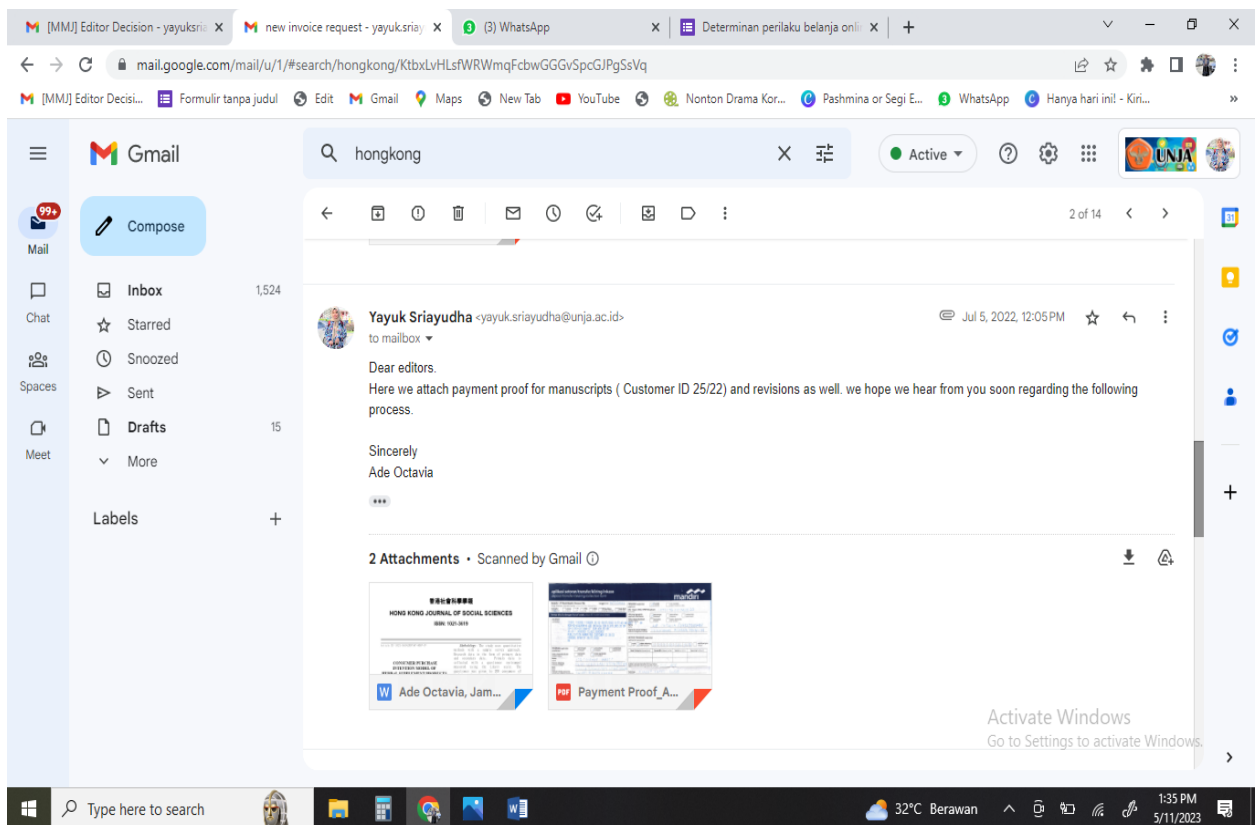

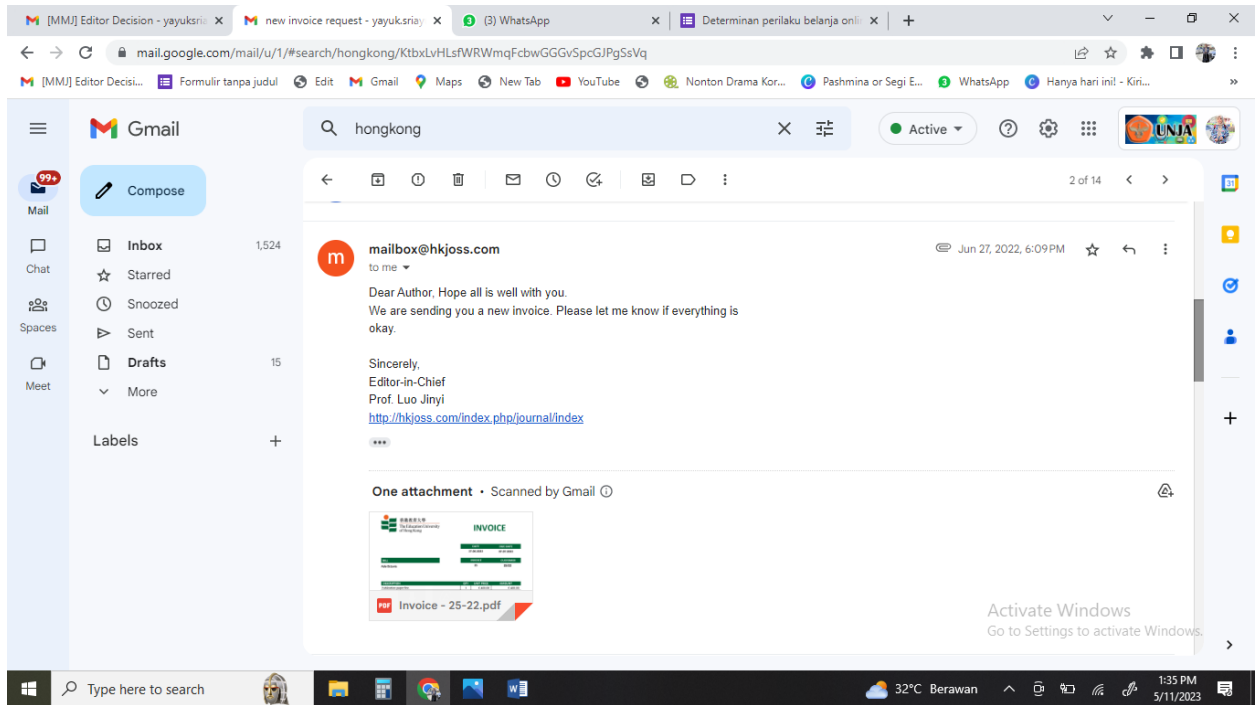

Sincerely
Ade Octavia
