

ACKNOWLEDGEMENT

All praise and gratitude are to Allah SWT for His blessings, guidance, and mercy, enabling me to complete this research. This work represents the culmination of long journey, which would not have been possible without support and assistance of many individuals and organizations. Therefore, I would like to extend my deepest gratitude to everyone who has provides support, guidance, encouragement, and prayers throughout the process of completing this thesis.

1. To my beloved mother, the one person who will always be my side and the one whose presence in my life can never be replaced by anyone or anything. Thank you for always tried to provide me with a decent and comfortable life.
2. To my father and my sister. Thank you for always supports and prayers that encourage me to get through the difficulties time on writing this thesis.
3. To my supervisors, Ma'am Delita Sartika, S.S., M.ITS., Ph.D. and Dr. Rd. M. Ali, S.Pd., M.Pd. Thank you for all of the advices, suggestions, patience, and for spending their valuable time to guide me to finishing this thesis.
4. To my best friends who are also sisters for me, Dona Prilliya, Umi Setya Ningsih, Yasinta Puspitasari. Thank you for all of the support, love, and time that you have spent to accompanying me when working on this thesis.
5. To my dear old junior high school friends, Juwita Patwa, Sri Wulan Ramadani, Riska Meilani, and Syahrani Azzahra who were always been there to support me and stay by my side.

6. To my amazing senior high school friends Chitra, Sindi, Echa, Indra, Deky, and Edo.
Every moment of togetherness, laughter, and joy we shared made this journey feel lighter and more enjoyable.
7. To my lovely colleagues friends Kirana, Naomi, Sherina, Santi, Indah, Jelina, and Dany. Thank you for striving and growing together from beginning of our studies until we were able to complete our academic journey.
8. And the last but of course not least. Thank to myself for the hard work, dedication and staying strong in all of stages of college and finally completing this thesis. This has been a long and tough journey, but I proved to myself that I could do and finished it!
