Preface

Welcome to this English course book for beginner to lower intermediate-level EFL students with local culinary content! This book is designed to help you develop your English language skills while learning about the rich and diverse culinary traditions of our local culture.

In this course book, you will learn essential English grammar and vocabulary, as well as key phrases and expressions related to the culinary world. You will also have the opportunity to read authentic texts about local food, restaurants, and traditions, and to practice your writing, reading, and speaking skills through a range of activities and exercises.

We believe that learning about local culinary traditions is not only a fun engaging way to practice your English, but also an important part of understanding and appreciating the cultural richness of our community. Through this course book, we hope to help you develop your English language skills while also learning about the delicious foods and fascinating culinary traditions of our local culture.

So, whether you are a foodie, a language learner, or simply curious about the culinary world, we invite you to join us on this exciting journey of learning English through local cuisine. Special thanks for students of R-004 TESOL Material Design Class UNJA Academic Year 2022/2023.

Happy learning Bon Appétit!
