## BAB I PENDAHULUAN

1.1 Latar Belakang ........................................................................................................ 1
1.2 Identifikasi Masalah ............................................................................................... 5
1.3 Pembatasan Masalah ............................................................................................ 6
1.4 Rumusan Masalah ................................................................................................. 6
1.5 Tujuan Penelitian .................................................................................................. 7
1.6 Manfaat Penelitian ............................................................................................... 7
1.7 Tujuan Operasional ............................................................................................... 8

## BAB II TINJAUAN PUSTAKA

2.1 Media Pembelajaran Sejarah ................................................................................ 10
   2.1.1 Pembelajaran Sejarah ................................................................................... 10
   2.1.2 Pengertian Media Pembelajaran ................................................................. 12
   2.1.3 Fungsi Dan Manfaat Media Pembelajaran ................................................... 15
   2.1.4 Prinsip Media Pembelajaran ....................................................................... 20
BAB III METODE PENELITIAN

3.1 Model Pengembangan ................................................................. 53

3.2 Prosedur Pengembangan ............................................................ 54

3.2.1 Analisis .................................................................................. 54

3.2.2 Desain ................................................................................... 58

3.2.3 Pengembangan ....................................................................... 58

3.2.4 Implementasi ........................................................................... 59

3.2.5 Evaluasi .................................................................................. 59

3.3 Subjek Uji Coba ......................................................................... 60

3.4 Jenis Data Dan Sumber Data ......................................................... 60

3.5 Instrumen Pengumpulan Data ....................................................... 61

3.5.1 Validasi Ahli Media ................................................................. 62

3.5.2 Validasi Ahli Materi ................................................................. 63

3.5.3 Angket Uji Coba Produk .......................................................... 65

3.6 Teknik Analisis Data .................................................................... 66

3.6.1 Analisis Deskriptif Kualitatif .................................................... 66

3.6.2 Analisis Deskriptif Kuantitatif .................................................... 67

DAFTAR TABEL

3.1 Kisi-kisi materi media pembelajaran iSpring Suite ........................................ 57
3.2 Kisi-kisi instrument ahli media ............................................................................. 63
3.3 Kisi-kisi instrument penilaian ahli materi .............................................................. 64
3.4 Kisi-kisi instrument penilaian siswa ....................................................................... 65
3.5 Bobot penilaian untuk setiap alternative respon .................................................... 68
3.6 Kategori tingkat validitas materi pembelajaran ...................................................... 68
3.7 Kategori tingkat validitas media pembelajaran ..................................................... 69
3.8 Kategori uji coba kelompok kecil ......................................................................... 70
3.9 Kategori uji coba kelompok besar ...................................................................... 70
3.10 Kriteria interpretasi skor untuk angket respon siswa ........................................... 71
4.1 Hasil angket validasi ahli materi 1 ........................................................................ 79
4.2 Hasil angket validasi ahli materi 2 ........................................................................ 83
4.3 Hasil angket validasi ahli media 1 ......................................................................... 84
4.4 Hasil angket validasi media 2 ............................................................................... 86
4.5 Hasil uji coba kelompok kecil ............................................................................... 87
4.6 Hasil uji coba kelompok besar ............................................................................. 88
4.7 Hasil nilai pretest dan posttest kelas XI IIS 3 ......................................................... 89
DAFTAR GAMBAR

2.1 Tampilan awal *microsoft powerpoint* .......................................................... 34
2.2 Tampilan menu *iSpring Suite* .................................................................. 36
2.3 *Advanced properties* pada *iSpring Suite* ............................................. 38
2.4 Kerangka Berfikir ..................................................................................... 52
3.1 Proses pengembangan ADDIE ................................................................. 54
DAFTAR LAMPIRAN

1. Angket dan Hasil Pra Penelitian ................................................................. 99
2. Soal-soal pretes dan posttes ................................................................. 103
3. Lembar jawaban .................................................................................. 106
4. Silabus .................................................................................................. 107
5. Rencana Pelaksanaan Pelajaran .......................................................... 111
6. Angket respon siswa kelompok kecil dan kelompok besar .................. 115
7. Angket validasi media ......................................................................... 117
8. Angket validasi materi ......................................................................... 123
9. Dokumentasi .......................................................................................... 129
10. Surat keterangan validasi ahli materi ............................................... 131
11. Surat keterangan validasi ahli media ................................................. 132
12. Surat keterangan penelitian ............................................................... 134
